JUNE 2014

Pragati Maidan, Hall No. 11, New Delhi

Secutech India Safety & Security Conclave* 2014 Delhi is focusing on Securing Future of India. This year we are highlighting the Homeland Security in India, Fire Safety Solutions for Oil & Gas, Real Estate and Latest trends & Technologies of Video Surveillance.

SISSC* is the knowledge forum to bridge the existing gaps & to help establish a much needed synergy between different stake holders in Security systems – Manufacturers, Channel partners, system integrators and end – users. The Conclave promotes Indian Security market development through alignment of technology with an understanding of end – user's needs and challenges.
